**TENNESSEE ACCESS TO RECOVERY (TN-ATR)  
SERVICES  
DEFINITIONS, REQUIREMENTS AND RATES**

SCREENING	Unit of Service 1 screen	Service Maximum Not applicable	Reimbursement Non-reimbursable
Brief Description: Screening to determine whether individuals meet basic consumer eligibility criteria for ATR services	Service Requirements: Use of Bureau's brief screening instrument		Staff Qualifications: Staff trained on TN-ATR eligibility criteria and use of instrument
ASSESSMENTS			
CLINICAL ASSESSMENT	Unit of Service 1 assessment	Service Maximum 1 assessment	Reimbursement \$65.00/assessment
Brief Description: A clinical assessment to determine appropriate TN-ATR treatment and/or recovery support services for eligible consumers	Service Requirements: <div>1. Must minimally include an ASI to determine problem severity.*</div> <div>2. ASAM PPC-2R criteria must be used if the ASI indicates the need for clinical treatment.</div> <div>*If an ASI has been completed for the consumer's current episode of care, a new ASI does not have to be completed for enrollment in ATR services that are a continuation of that episode of care. The existing ASI may be requested, with a Release of Information signed by the consumer, from the provider completing the ASI, and it must be documented in the consumer's record. The consumer's episode of care is defined as continuous alcohol and drug services without a break over a period of time and which may include multiple providers.</div>		Staff Qualifications: <div>1. Staff must be Qualified A&amp;D Personnel as defined by DOH licensure (staff in licensed A&amp;D treatment facilities are qualified based on facility license) and must have completed training by a qualified trainer in the use of ASI and ASAM</div> <div>2. Staff in non-licensed A&amp;D recovery support facilities must be pre-approved by the Bureau based on submitting an application</div>
